NEXT MEETING

August 16th, 1990 THURSDAY

Our next meeting will be held at our **NEW PERMANENT MEETING PLACE** ! It has long been a great strain on the organization to be forever looking for places to hold meetings. Now Woody has found us a place of our own. Of course we'll still meet at other places from time to time, but it will be good to become more of a club and less a bunch of spectators.

We have a room to use at the Mainliner Club, at 42nd and Pacific in San Mateo (The club is owned by the United Airlines Employees Assoc.) The meeting room seats up to 150 people, there is parking, the neighborhood is good, and there is a kitchen available if we want to have a party ! The entrance is at the 42nd and Pacific intersection, and parking is behind the club.

John Olson of Alameda will give a demo on vacuum pressing, for laminating or wood forming. There will also be a discussion on power tools, a chance to share our knowledge.

REMEMBER—This is the meeting with the TOOL SWAP ! Please bring in that tool you just don't need any more. Your editor is bringing in a Radi-Plane and a B&D belt sander, and I'll feel very foolish if nobody else brings anything in! And don't forget the Two-by-Four contest coming soon. Make something out of a single 2x4 piece of lumber and be eligible for some great prizes

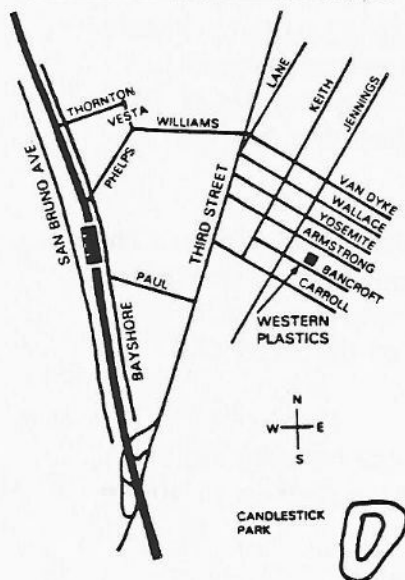

LAST MEETING

Our July meeting was at WESTERN TOOL AND HARDWARE in San Francisco. And what a great store that is. Don't miss it if you are shopping for power tools, large or small. Various sales reps demonstrated tools. Barry Rosenberg showed new Bosch drill motors, Bill Marshall showed us a great new random orbit sander (no swirl marks), Rick Hansen of Makita had a 1x21 belt sander, a neat little tool that is not well-known, and also a new 10 inch miter saw that only weighs 23 lbs. Steve Chen of Senco showed pneumatic pinners, nailers and staplers. Thank you all !

Notes from "Woody"

I Would like to thank CHRIS CRAWFORD for the excellent job he performed as BAWA Secretary. His constructive ideas as a board member were greatly appreciated. Thanks again Chris !

A new member, Merle Hersom, is replacing Chris as Secretary. He attended our last board meeting, performing his new duties with a lot of enthusiasm. Welcome aboard Merle !

Dave Bozarth and Robert Kyllonen deserve a Twenty-One Gun Salute for their generous contribution of time and workmanship making and installing the screen door for The Aids Center in Oakland. Both of you did a great job !

BAWA MEMBERSHIP APPLICATION

**BAY AREA
WOODWORKERS
ASSOCIATION**

Bay Area Woodworkers Association was formed early in 1982 by a small group of dedicated people who felt the need to strengthen the woodworking community by holding regular meetings, establishing an informal forum for the exchange of knowledge and ideas, sponsoring shows, and meeting others in woodworking and related fields. Since then, this non-profit organization has grown to many members. Meetings occur in the third week of each month at 7:00 p.m. and are generally held in San Francisco or Oakland/Berkeley area. Meetings usually have a specific topic such as router techniques, finishing, turning, business aspects of woodworking, or focus on a distinguished guest speaker who will give a presentation in their area of expertise. Most meetings are held in members shops, or the place of business of a guest presenter. Members receive a monthly newsletter.

Dues are \$30 per year payable in January, \$22.50 payable April -June, \$15.00 payable July-September, \$7.50 payable Oct.-December.
