

BAY AREA WOODWORKERS ASSOCIATION

February, 1990

Vol. 10-2

Box 774, San Francisco, CA 94101

The February BAWA meeting will be held at the Castro Valley High School wood shop on Thursday, February 15, 1990. On the schedule is a short business meeting and two presentations. **Harry Francis** will give a discussion and demonstration of expert cabinet and antique furniture repair and refinishing. Also, BAWA member and shop instructor **Dick Taylor** will demonstrate post forming with plastic laminate. The shop opens at 7:00 p.m. and the festivities commence at 7:30 p.m. All members are welcome and don't forget that you can also pay your yearly BAWA membership dues at the meeting and save yourself a 25¢ stamp!

LAST MEETING

A good crowd turned out for the January meeting held at the Oakland shop of furniture maker Don Braden. We saw some of the very handsome pieces he makes, most memorably a writing desk which seems to be a favorite specialty item of his, and a whimsical toilet-paper dispenser. Don talked about being a member of the Bolinas Crafts Guild, and about how he sells his work, whether through galleries or by word-of-mouth. There was a slide-show of his work and of woodworkers who had influenced him. Also interesting was a big antique stroke-sander which he is restoring. We thank Don very much for hosting a very interesting meeting.

The January meeting also included a business meeting. Woody Woodward is now the President of BAWA, Fred Sotcher the VP, Chris Crawford the Secretary and Scott Eisenberg the Treasurer. Committees were started for BAWA administrative programs, and for the N. California Woodworking Show coming in March (see below).

BAWA sponsored a free drawing for a palm finishing sander. The sander was won by Bob Wistort.

BAWA DUES are DUE !

The time has come to pay your share for 1990. Send your check, along with the form at the back of the newsletter, to Scott Eisenberg, 2609 Mallard St, Union City, CA, 94587. A one year membership is still only \$30, the same as it was in the late 1980's!

N. CALIFORNIA WOODWORKING SHOW

The Woodworking Show will be held at the San Jose Civic Auditorium March 16-18. BAWA will have a booth at the show and we need volunteers to come spend a couple of hours manning the booth and/or to put a piece of your work on display. Those members who volunteer time at the booth will receive free admission to the tool show on that day. Jeffrey Beeman is coordinating our efforts and has volunteered to pick up display pieces if you're located within reasonable distance. This is a good opportunity to get some exposure and to help BAWA show off it's greatest resource, the talents of our members! Jeff can be reached at 415 -237-2113 (evenings).

Where to buy it

by "Woody" Woodward

I have received numerous inquiries regarding sources of supply for materials used in making my jigs, fixtures and templates. The items on the following lists are those most asked about, and are available in small quantities.

INDUSTRIAL HARDWARE AND SUPPLY—located in San Carlos at 975 Industrial Road. This is a genuine hardware store (no pots and pans) and the employees are quite helpful. This is almost a one-stop hardware store. For those interested I have discount cards available which, when presented with your BAWA membership card, entitle you to a ten percent discount.

Fasteners: an excellent selection of nuts, bolts (N.F., N.C., Metric), set screws, wood screws, thumb screws, wing screws, wing bolts, stud bolts, knurled brass nuts etc.

Pins: taper, steel dowel, clevis, expansion, cotter, hitch, etc.

Motor shaft keys: straight and woodruff

Retainer rings: external and internal

Threaded rod: various sizes up to 12 ft. long

O-Rings: very good selection

Pulleys: diecast and machined cast-iron

Springs: compression and tension, excellent selection

Machine knobs: diecast and high-quality plastic

Machine hand cranks, handwheels, levers: diecast and high-quality plastic in different sizes and configurations.

J & H OUTLET—located in San Carlos at 476 Industrial Road.

This is a surplus-type store that is clean and well organized. All items are binned and price-marked.

The inventory varies; what is available at one time may not be available at another time.

Their inventory includes:

Fasteners: limited, but some unusual nuts, bolts, washers, pins, spacers, etc

Hardware: unusual latches, levers and parts of mechanisms

Aluminum: good variety in extruded shapes, flat-round-square stock plus round and square tubing.

Plastics: acrylics, nicarta, delrin, nylon etc. Available in flat and round stock in a large range of sizes.

Plastic knobs: good quality small control knobs in several different sizes.

If this article is of any value to the membership, additional articles will follow.

We would all appreciate members submitting sources of hard-to-get materials in their locale.

—"Woody" Woodward

BAWA MEMBERSHIP APPLICATION

Bay Area Woodworkers Association was formed early in 1982 by a small group of dedicated people who felt the need to strengthen the woodworking community by holding regular meetings, establishing an informal forum for the exchange of knowledge and ideas, sponsoring shows, and meeting others in woodworking and related fields. Since then, this non-profit organization has grown to many members. Meetings occur in the third week of each month at 7:00 p.m. and are generally held in San Francisco or Oakland/Berkeley area. Meetings usually have a specific topic such as router techniques, finishing, turning, business aspects of woodworking, or focus on a distinguished guest speaker who will give a presentation in their area of expertise. Most meetings are held in members shops, or the place of business of a guest presenter. Members receive a monthly newsletter.

Dues are \$30 per year payable in January, \$22.50 payable April -June, \$15.00 payable July-September, \$7.50 payable Oct.-December.
