

Box 774, San Francisco, CA, 94101

If you are coming from the North, well, it would have been better if they had built that freeway out of wood. You might take 580, then 980, and then 14th St past lake Merrit to 6th Ave. Or perhaps take Park Blvd south from 580.

THERE WILL BE A FREE DRAWING FOR A GOOD QUALITY WOODWORKING TOOL.
All 1989 members and new 1990 members will be eligible.

MACHINERY

Chris Crawford, #415 731-1083, would like to hear from anyone who has used the PERFORMAX DRUM SANDER. Is it a good buy? How does it compare with the more expensive machines?

Is anyone else looking for feedback on a particular machine? Or have comments to pass along? We could make this a regular tool and machinery column if people are interested. I myself (John Weidner) like my ELU 3x21 belt sander very much. It is lightweight, the variable speed is extremely usefull, and it has a rack to convert it into a fine little bench sander. I Purchased it from WOODLINE in Alameda, after seeing it demonstrated by the Elu salesmen at a BAWA meeting last year. Pass your comments on to the Newsletter Staff.

Last meeting

The December meeting was sparsely attended. There were good discussions of the neat things BAWA could do if we can get them going. We did nominate some new officers for them members to vote on at the January meeting. Woody Woodward for president, Fred Sotcher for Vice-President, Chris Crawford for Secretary, and John Weidner for Newsletter Editor. We could still use a Treasurer and perhaps a few general Board Members. If you feel like a bit of an outsider and mere spectator at the BAWA meetings, there is an easy way to get to know people and have more fun—just get involved.

WOODWORKING SHOW

The March Woodworking Show is coming soon. BAWA will have a booth. In the past we have had great success showing our work and finding new members at these shows. This is a chance to show your work off (and possibly to sell it—we can't sell things at the show itself, but if your name is on your work and someone wants to contact you—well, why not.) We will need people to man the booth for a few hours each. There will be some free admission badges available for some of the helpers. No special expertise is necessary.

Referral List Project

Did you ever have the thought "I'll bet there is somebody around who can do this little job for me—if only I could find him!" Well, right now, this very minute, there are hundreds of people around the bay area who have a job, large or small, for a woodworker. And most of them will never connect with the right person. Instead they will buy some piece of rubbish at a hardware store or furniture store or just do without.

Wouldn't it be good if there were a resource—a list of woodworkers available to do a variety of things—from the big shops that can fill an office or a kitchen, to the independent guy who likes the small jobs, to the amateur who will occasionally turn a newell post or build a table to help pay for his machines. Steve Madden, our President, says he gets lots of enquiries but usually doesn't know who to recomend.

So, on your membership renewal form is a place to put in your specialty. Don't be shy, and do be specific.

Note: PALS, Plywood and Lumber Sales, have moved their San Francisco branch to 180 Quint, near Custer, and also near Evans. They are a good source of all sorts of plywood and hardwoods.

5. If you heard of a company from their BAWA advertisement, be sure to mention that when you shop there.

membership renewals

January is the time to renew your membership in BAWA. Fill out the form now, and send it in, or you won't get your newsletters, and you won't hear about some great meetings coming up.

BAWA MEMBERSHIP APPLICATION

**BAY AREA
WOODWORKERS
ASSOCIATION**

Bay Area Woodworkers Association was formed early in 1982 by a small group of dedicated people who felt the need to strengthen the woodworking community by holding regular meetings, establishing an informal forum for the exchange of knowledge and ideas, sponsoring shows, and meeting others in woodworking and related fields. Since then, this non-profit organization has grown to many members. Meetings occur in the third week of each month at 7:00 p.m. and are generally held in San Francisco or Oakland/Berkeley area. Meetings usually have a specific topic such as router techniques, finishing, turning, business aspects of woodworking, or focus on a distinguished guest speaker who will give a presentation in their area of expertise. Most meetings are held in members shops, or the place of business of a guest presenter. Members receive a monthly newsletter.

Dues are \$30 per year payable in January, \$22.50 payable April -June, \$15.00 payable July-September, \$7.50 payable Oct.-December.

* PLEASE CIRCLE - - I DO / DON'T want my name, address, & phone no. on a list circulated to other organizations.

PLEASE INDICATE WHICH COMMITTEES YOU WOULD LIKE TO JOIN

A. PROGRAM: Coordinate monthly meeting subjects and locations, field trips, and Saturday workshops.

B. SHOWS: Coordinate participation in Trade shows and Exhibits of BAWA members' work.

C. HOSPITALITY: Handle refreshments, sign in, name tags, and greeting people at the monthly meetings.

D. Historical/Library: Maintain binders with past newsletters, publications, slide collection, and video tapes.

E. COMMUNITY OUTREACH: Coordinate an annual project such as the Larkin St. Center or several smaller projects.

F. PUBLICITY: Submit information to area newspapers about upcoming meetings, shows, etc.

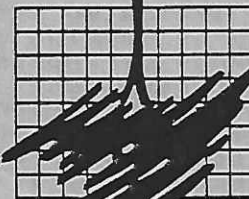

G. SOCIAL COMMITTEE: Coordinate events like the golf tournament, baseball games, ski trip, and whatever.

H. NOMINATING COMMITTEE: Select possible candidates for offices to be elected at the November meeting.

I. NEWSLETTER: Several staff are needed to divide up the job of printing the monthly, newsletter. This is a vital part of BAWA both through the income from the advertisers (without their support dues would be doubled) and the communication link to the members.
