March, 1990

Vol. 10-3

Box 774, San Francisco, CA 94101

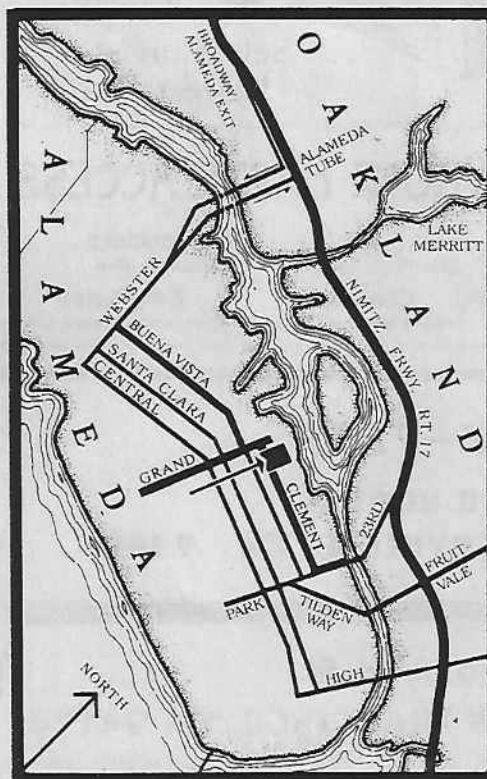

## MARCH MEETING

**PLEASE NOTE:** The March BAWA meeting will be held on the 4<sup>th</sup> Thursday of the month (March 22) rather than the 3<sup>rd</sup> Thursday as it is normally held. This is being done so that any interested people that we meet at the N. Calif. Woodworkers Show can come to the March meeting.

The March 22<sup>nd</sup> meeting will be held at **Woodline: The Japan Woodworkers** located at 1731 Clement Street in Alameda. **Woodline** has both Japanese and non-Japanese tools in profusion and it is well worth a visit. The starting time is 7:00 p.m. for socializing, sign-in, refreshments, etc. and 7:30 for the program and business meeting. The program this month includes a demonstration by **Woodline** on the set-up and operation of the Performax Drum Sander. Also, **Woody Woodward** will demonstrate one of his latest jigs.

## ***LAST MEETING***

The February BAWA meeting was held at the Castro Valley High School wood shop and featured talks presented by furniture refinisher **Harry Francis** and BAWA member **Dick Taylor**. Prior to the scheduled program was a short business meeting at which BAWA treasurer Scott Eisenburg presented a financial report on the current status of BAWA and secretary Chris Crawford read the minutes of the previous general and board meetings. BAWA president Woody Woodward announced the appointment of the following committee chairmen:

Program committee - Glen Krueg (797-9046)

Hospitality committee - Stan Booker (536-7657)

Show committee - Jeff Beeman (237-2113)

Community outreach - (Arnold Champagne (282-1704)

A number of BAWA members are already working on these committees and we welcome all members to participate and get involved in helping get the job done.

After the business portion of the meeting, **Harry Francis**, of Francis Refinishing, shared some of the techniques he has learned during his 40 years of experience in the refinishing and finish repair business. Harry gave a demonstration on the methods he uses to repair a scratched finish, including the use of Dry Colors to match the existing finish and then rubbing the affected area out with a french polishing method. Harry then demonstrated, on the same table top, how to completely strip and refinish a surface.

After a short break, BAWA member and multi-talented woodworking professional **Dick Taylor** discussed his new multiple-drill machine which simultaneously drills 19 holes in panels to be used in the 32mm cabinetmaking system. The 32mm system allows the cabinetmaker a great deal of versatility in designing the layout of drawers, shelves and doors while maintaining efficient production times. Dick filled the remainder of the evening with an energetic, non-stop discussion of desk designing, edgebanding, countertops, laminating, post-forming and the virtues of getting the most out of a 39¢ paint brush. Dick promises not to be so reserved the next time he talks!

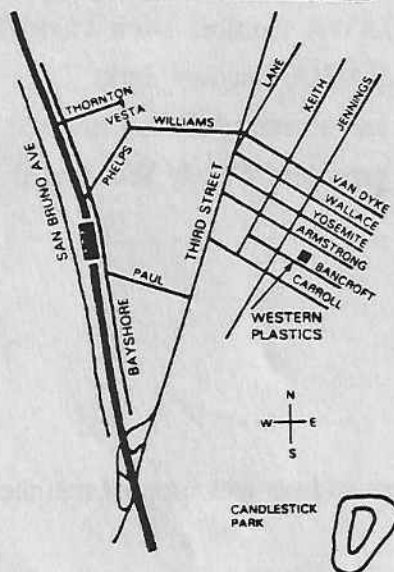

As usual, the February meeting was accented by many good questions from those members in attendance. We thank Harry for his informative talk and Dick for both his talk and for hosting the February meeting.

BAWA MEMBERSHIP APPLICATION

Bay Area Woodworkers Association was formed early in 1982 by a small group of dedicated people who felt the need to strengthen the woodworking community by holding regular meetings, establishing an informal forum for the exchange of knowledge and ideas, sponsoring shows, and meeting others in woodworking and related fields. Since then, this non-profit organization has grown to many members. Meetings occur in the third week of each month at 7:00 p.m. and are generally held in San Francisco or Oakland/Berkeley area. Meetings usually have a specific topic such as router techniques, finishing, turning, business aspects of woodworking, or focus on a distinguished guest speaker who will give a presentation in their area of expertise. Most meetings are held in members shops, or the place of business of a guest presenter. Members receive a monthly newsletter.

Dues are \$30 per year payable in January, \$22.50 payable April -June, \$15.00 payable July-September, \$7.50 payable Oct.-December.
