## Our Next Meeting - May 19!

by Bill Henzel

**T**his month we will meet at the Lambert Cabinet Shop at 2185 Palm Avenue in San Mateo. The Lambert cabinet shop specializes in custom furniture and is run by Rita and Matt Lambert. The Lambert's have built a large variety of furniture including conference tables, cedar blanket chest, fireplace mantels and bedroom furniture with carved headboards.

Our program this month will also feature another back-to-basic seminar. Our topic this month will be vacuum veneering and will be presented by Arnold Champagne.

### DIRECTIONS

Going North on Rt. 101, probably the best exit would be Hillsdale Avenue. Turn left to go towards El Camino. At El Camino, turn right and proceed to 25th Avenue. Turn right on 25th Avenue and go to Palm Avenue. (Not sure if it is left or right, but presume you would turn left to 2185 Palm.)
