### NEWS AND NOTES

**June Meeting:** Will be at the Mainliner Club on Thursday the 15th. Special host will be Don Weber, turner and toolmaker. He has taught at Drew Langsner's "Country Workshop". His tools are prized by turners as far away as England. He will start at 7:30 pm, and will demonstrate toolmaking with his propane forge. He will focus on tools for turners and on how to build the forge. Normal club business will come after the main speaker this month, to take advantage of daylight and to make as much time available for Don as possible.

**July Meeting:** Will be on the 20th, off-site at the shop of John Van Den Heuvel. He runs a one man shop and tackles a wide variety of projects from furniture to cabinets and architectural work like fireplace mantels. The address is 1692 Tacoma, #6, Redwood City, CA 94065.

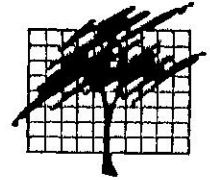

**August Meeting:** Will be on the 17th at the Mainliner Club. Our guest speaker is Michael Cullen, furniture designer/maker. He will soon be featured in *Woodwork Magazine*. Michael will focus on design issues.

**September Meeting:** September 21st at the Mainliner Club. Inwood Design will give a slide presentation on Furniture design and makers. They specialize in Illustrated pieces.

**October Meeting:** To be Announced.

**November Meeting:** November 16th. Robert Greenberg, a harpsichord maker who will focus on tools and materials. On Site in San Francisco.

**December Meeting:** December 21st. Annual Potluck dinner at the Mainliner Club.

If the tape is not returned at or prior to the next meeting, the \$3.00 is retained by the club.

## SOURCE GUIDE -

The listing will be available at the Back to Basics library box and is intended to provide a current reference of good sources for wood, services, and tools. If you know of a source to be added to the list, see Don Naples. The use of this data is intended only as a guide. The decision to use a source is up to the user.
