OFFICERS

President - Stan Booker
Vice Pres. - Don Naples
Secretary - George Comstock
Treasurer - Bill Henzel
Newsletter - Thaine Anderson

COMMITTEE CHAIRPERSONS

Program - Michael Bray
Hospitality - Don & Gene
Wagg
Shows - Frank Hungler
Outreach - TBD
Librarian - Al Semenero
Membership - TBD

Nominating - Tom Clarke

NEWS AND NOTES

Arnold Champagne reports that the College of the Redwoods class will hold an open house on May 18 (5:00 – 7:00 pm) at the school. Guests can look at current class projects and speak to the designer/builders of each work. The projects will then move to the Mendocino Highlight Gallery for viewing from May 18th through June 20th. BAWA member Robert Nisbett has been accepted to attend the next class. Arnold will return to the Bay Area and BAWA shortly. We'll all want to hear about his experiences!

Don Naples reports 100+ days in office, and we have made some progress with our 1995 plans for BAWA. There are several areas where we need volunteers to provide additional support. Specifically, the Bylaws update, a membership coordinator, help with collecting information from contributors and layout of the newsletter, the Outreach program, show booth design, and support for several other programs which were proposed such as bulk hardwood purchases, tool rentals from the club, etc.

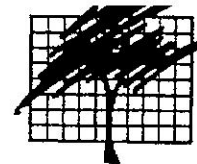

The Annual Woodworking Show (by Stan Booker) was held in Pleasanton from April 21 – April 23, and our booth was staffed by several BAWA members. Thank you to those who stood booth duty and those who contributed projects for viewing. Special thanks to Al Semenero for getting the Woodworking show help scheduled in and getting the booth set up. Thanks also to Frank Hungler for helping Al Semenero.

There were many questions from attendees regarding the finish types and joints used. The notes provided with several pieces really helped. Our presentation could use some help along with additional examples of our work. This is an excellent opportunity for us to attract new members to the club. Please consider if you can volunteer some time toward helping us develop a better presentation and a wooden BAWA sign for the show next year.

TOYS FOR TOTS

by Don McGrew
(415) 665-6206

Don asks club members to contact him with toy ideas and designs for club programs.

BACK TO BASICS

Your participation in these presentations is requested. Please see Michael Bray or Don Naples for scheduling a time for a Back to Basics presentation. See Al Semenero for copies of previous presentations.

TAPE LIBRARY -

A list of the tapes available is listed elsewhere in the newsletter.. A tape may be rented for \$2.00 for the month. A \$5.00 fee is charged when the tape is taken and \$3.00 is returned when the tape is returned the following month. If the tape is not returned at or prior to the next meeting, the \$3.00 is retained by the club.

SOURCE GUIDE -

A source guide listing, will continue to evolve over time. There have been many additions this month. The listing will be available at the Back to Basics library box and is intended to provide a current reference of good sources for wood, services, and tools. If you know of a source to be added to the list, see Don Naples. The use of this data is intended only as a guide. The decision to use a source is up to the user.

CHRISTMAS IN APRIL

Thanks to all the participants in the Christmas in April Volunteer day. We had about 16 members working on two

projects in East Palo Alto. A Special thanks to Marc Bernstein for coordinating the projects for our members. This is a very worthwhile community project.

WHEN LAST WE MET - APRIL

Edelweiss Restorations owner Ottmar "Al" Umhofer spoke about his work, shop and museum quality restoration projects. We all enjoyed his talk immensely and had many questions for him afterward. He can be reached at:

1692 Tacoma Way #9
Redwood City, CA 94063-1110
415-369-5831

WHEN LAST WE MET - MARCH

George Comstock wrote an excellent review of this meeting featuring Steve White of Heartwood Cabinets. This 3.5 page review will be available at the meeting as a separate handout. Be sure to pick one up!

WOODWORKING AND COMPUTERS -

Last month I found some great information on the Internet. Check the library for copies of these new finds. New articles include a chronological listing of WoodSmith projects, an article on electric motors, a woodworking "FAQ" list which has lots of tips on a variety of woodworking subjects, and lots of addresses for the Source Guide.

QUESTIONS, COMMENTS, SUGGESTIONS ...

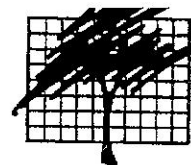

about the newsletter? Call Thaine Anderson at (415) 692-0824.
